PATCH CORD OS2 G652D

DESCRIPTION

High performance and strong design. High quality connectors; Individually packed. Available with yellow outer jacket. Dust protection caps and cable boots included. Duplex clip in SC, LC and E2000 connector, ST and FC connector without clip.

STANDARDS

•ISO/IEC 11801; EN 50173-1; IEC 61754-1; IEC 61753-1; IEC 61300;

As part of our goal to achieve quality excellence, our barpa System Warranty can give you 25 years products and solution assurance of compliance with the industry performance standard comparing with the class installed. This warranty applies to network infrastructure installations that was made by an approved barpa Partner using an barpa solution (end-to-end). For more informations go to our website.
